

US History and Government Question Bank - Interpreting Political Cartoons

- (1) imposes taxes which are too high
- (2) does not cover most American workers
- (3) issues threats from future increases in the number of recipients
- (4) does not support a decent standard of living

Base your answer to the following two questions on the cartoon below and on your knowledge of social studies.

The Only Way We Can Save Her

What is the main idea of this 1909 political cartoon?

- (1) Great Britain and France do not want the United States to enter World War I.
- (2) The United States should remain isolated from the war in Europe to preserve democracy.
- (3) The survival of democracy requires that the United States enter the war.
- (4) The United States believes there is no real threat to democracy.

Which action is most consistent with the viewpoint expressed by this cartoonist?

Lab Activity Cardiac Conduction The heart has its own system in place to create nerve impulses and does not actually require the brain to make it beat. This electrical system is called the cardiac conduction system. It is made up of specialized tissues and cells embedded in the heart that send impulses directly to the atria and ventricles, causing them to contract. In the normal cardiac cycle ...
