Simulated practice test. Since the MPRE is timed - two hours, 60 multiple-choice

questions - you'll need to find your pacing. The goal is to get through all the questions with enough time left-over to go back and check anything you're unsure about. That requires practice. BARBRI MPRE Review provides four online simulated exams. This will help you become more familiar with the complex ...

Before you can practice law in any U.S. state or jurisdiction, you must go through that state's admissions process and pass that state's bar exam. Every jurisdiction administers a bar exam to test a candidate's ability to think like a lawyer and prove that they have the "minimum competency" to practice law in that state.

Does anyone happen to have some info on how the target scores that BARBRI puts out for its practice sets correlates to actual performance on the CA bar? I'm more or less hitting the target (which is like 50-60%) each time, but I got an email from my school the other day saying something along the lines of: If you're still getting around 50% on the MBE practice questions, you're in trouble.

I am a lawyer in England and I took the California Bar exam twice: July 2016 and February 2017. Having failed once and passed once, here is my experience: I signed up to Barbri in England. The course was pitched as a course you follow online over 6 months, while working a full time job. It made it clear that it would NOT be a fun 6 months, but that others had done it and I would too. I was ...

BARBRI Bar Review was a perfect blend of self-study and more structured lectures. Sometimes I would need to sit in a classroom with other students to fully absorb the material. Other times, I was fine studying alone, and BARBRI offered that option. But I have to say what I found most useful were the 30-minute lectures on essay writing. Getting the right attack plan for each essay topic was ...

I never took a full practice exam. I read through the Themis MPRE book cover to cover once the day before. I paid attention to the minor details and sub-sub rules and I think

that saved me on test day. And did a few Barbri practice problems but not many. Got lots wrong, read up on why. Walked out feeling like I hadn't done that well. Scored a 97 ...
