Start your review of Microeconomics: Theory/Applications. Write a review. Aug 01, 2009 Dewey Norton rated it really liked it. When I was at Penn, Mansfield was one of the most prodigious grant getters in the economics department. When I was entering the Wharton MBA program, I wanted to take the waiver exam in microeconomics and heard that it was based on this book, which I had read rather ...

### **Microeconomics: Theory/applications | Edwin Mansfield ...**

The late Edwin Mansfield was for many years a distinguished professor of economics at the University of Pennsylvania. He was an internationally recognized expert in the economics of technology and industrial organization. His numerous texts, all published by W.W. Norton, have sold millions of copies around the world. In 1979, when Sino-American scientific agreements were finally reached, Mansfield was the first American economist to lecture in the People's Republic of China.
