The Twelve Dancing Princesses - Wikipedia

When they came to the stairs, the soldier ran on before the princesses, and laid himself down; and as the twelve sisters slowly came up very much tired, they heard him snoring in his bed; so they said, 'Now all is quite safe'; then they undressed themselves, put away their fine clothes, pulled off their shoes, and went to bed. In the morning the soldier said nothing about what had happened, but determined to see more of this strange adventure, and went again the second and third night ...

The Twelve Dancing Princesses is one of those tales. Basically every single person, except the soldier and maybe the mysterious old woman who gifted him with an invisible cloak, was just rotten. The princesses themselves had no qualms with princes dying on their account. The father tried to solve his problems by merely locking his girls up. And we don't even know
